STRYDE

THE STRYDE ADVANTAGE

SITRAK EUROPEAN-ENGINEERED TRUCK PLATFORM

Stryde trucks are built on the modern **Sitrak heavy-duty truck platform,** developed using advanced European engineering and designed for strength, reliability, and long-distance comfort.

DESIGNED BY EQUESTRIANS

Every Stryde truck is designed with real equestrian experience in mind — prioritising horse safety, airflow, and stress-free travel for both horse and rider.

PREMIUM LIVING QUARTERS

Thoughtfully designed living spaces combine modern finishes with practical layouts, giving riders a comfortable place to relax, prepare, and recharge during events and long journeys.

COMPLETE TURN-KEY PACKAGE

From truck supply and body build through to compliance, registration, and delivery — Stryde provides a complete ready-to-drive solution.

BUILT FOR AUSTRALIA & NEW ZEALAND ROADS

Stryde trucks are engineered to handle the long distances and demanding road conditions of Australia and New Zealand.

CURATED INTERIOR THEMES

Choose from a range of professionally designed interior and exterior colour themes to suit your style.

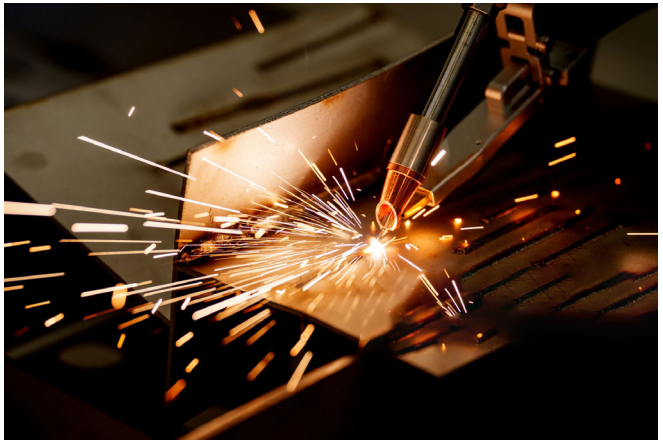

HORSE SAFETY V& COMFORT FIRST

From strong partitions and ventilation to advanced horse monitoring systems, every detail is designed to ensure horses travel safely and comfortably.

AUSTRALIA & NEW ZEALAND SERVICE SUPPORT

Sitrak trucks are supported by established truck service networks across Australia and New Zealand to keep you moving with confidence.

STRYDE ESTATE 4

WHERE YOUR HORSES TRAVEL LIKE CHAMPIONS — AND YOU TRAVEL WITH TOTAL PEACE OF MIND.

Welcome to the Stryde family.

This isn't just a horse truck. It's freedom on wheels. It's the confidence to load up your most valuable partners — your horses — and hit the open road knowing every detail has been obsessively considered so they arrive fresh, calm, and ready to perform.

At Stryde, we don't build trucks. We craft mobile sanctuaries.

Founded by people who live and breathe horses, we combined decades of heavy transport expertise with a deep passion for equine wellbeing. The result? The most thoughtful, luxurious, and safest horse transport experience on the road today.

Horse Safety & Comfort – Always First

Reinforced partitions. Intelligent airflow. Advanced monitoring. Luxurious living quarters designed around how horses actually stand, move, and rest. Every journey feels like home — because a relaxed horse is a winning horse.

Premium Craftsmanship You Can Feel

High-grade materials. Proven world-class components. Precision engineering from chassis to ceiling. This isn't mass-produced — it's built to impress, built to last, built for the long haul.

Support You Can Actually Rely On

Backed by a growing national service network across Australia and New Zealand. When you're miles from home with valuable cargo, you're never truly alone. We keep you moving — with confidence.

The Foundation: Uncompromising

Sitrak G5S 6×4 Cargo Cab Chassis

A heavy-duty platform engineered for reliability, stability, and long-distance performance. It's the perfect base for the Stryde Grand luxury body — strong enough to handle champions, refined enough to match your standards.

Stryde isn't about simply getting from A to B.

It's about the pride you feel pulling out of the yard.

It's the quiet satisfaction of knowing your horses are travelling better than ever.

It's arriving at the event — or home — with everyone fresh, happy, and ready for what's next.

This is more than transport. This is a lifestyle. This is Stryde.

Join the riders, trainers, and owners who choose Stryde. Drive with pride. Travel with peace.

The Stryde Team

BASE VEHICLE

SITRAK G5S 6×4 CARGO CAB CHASSIS

The Sitrak G5S is a heavy-duty truck platform engineered for reliability, safety and long-distance transport. The chassis provides a stable and durable base for the Stryde Grand luxury horse transport body.

ENGINE

MC07H.33-61 Turbo Diesel
7.36L displacement

Power Output
240 kW @ 2200 rpm

Maximum Torque
1322 Nm @ 1200–1700 rpm

TRANSMISSION

Allison 3200 Automatic Transmission

Forward Gear Ratios
3.49 / 1.86 / 1.41 / 1.00 / 0.75 / 0.65

Reverse Gear Ratio 5.03

AXLES

Front Axle Capacity 7,000 kg

Rear Axle Capacity 18,000 kg

SUSPENSION

Front Suspension Parabolic leaf springs

Rear Suspension Air bag suspension

BRAKING SYSTEM

Dual circuit air braking system
Electronic safety systems include:

- Electronic Braking System (EBS)
- Electronic Stability Control (ESC)
- Hill Start Assist (HSA)
- Engine Brake

FUEL SYSTEM

300 litre fuel tank

DRIVER SAFETY SYSTEMS

- Adaptive Cruise Control
- Advanced Emergency Braking System
- Forward Collision Warning System
- WABCO radar safety system
- 360° surround camera system

ELECTRICAL SYSTEM

24V system
Dual heavy-duty batteries

CHASSIS WARRANTY

The Sitrak chassis is supplied with the **standard manufacturer warranty and dealer support network.**

The warranty period on a Sinotruk chassis is 36 months or 600,000km whichever occurs soonest and begins on the date the vehicle is first delivered to the customer.

STRYDE

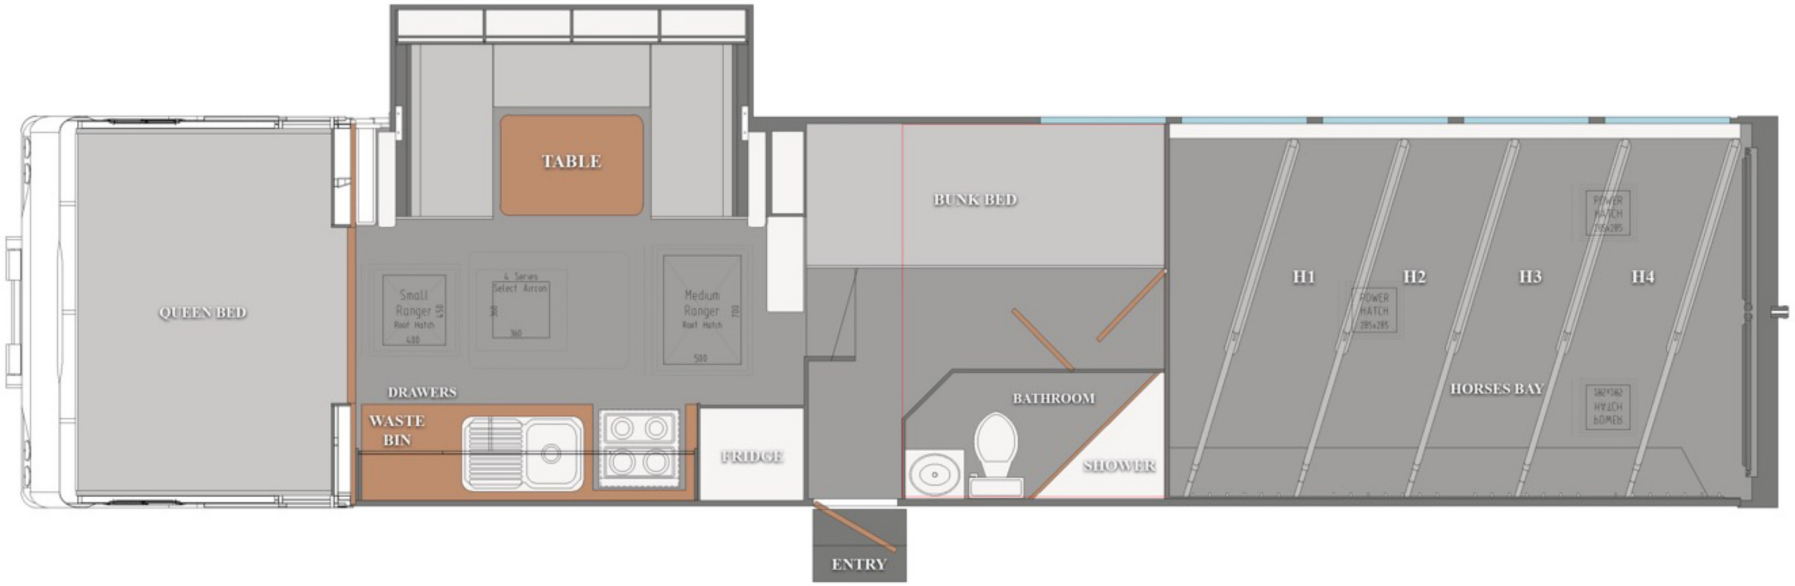

STRYDE ESTATE *4* HORSE BODY

The Stryde Estate 4 is a luxury horse transport vehicle combining professional horse transport with premium touring accommodation.

Horse Capacity:
4 Horses

Passenger Capacity:
6 Legal Travel Seats

EXTERNAL DIMENSIONS OF VEHICLE

LENGTH	WIDTH	HEIGHT
12M	2.5M	4.2M

STRYDE

HORSE AREA

PROFESSIONAL HORSE TRANSPORT SYSTEM

The Stryde horse area is designed to provide maximum safety, airflow and comfort for horses during travel.

The layout allows horses to travel safely with adequate space, ventilation and stall protection.

STRYDE

HORSE STALL CONFIGURATION

- Capacity for **4 horses**
- Individual stall bays
- Adjustable stall widths
- Fully padded stall walls

FLOORING SYSTEM

- Heavy-duty rubber flooring
- Steel floor structure
- Thermolite flooring under rubber
- Non-slip surface

This flooring design provides grip and comfort for horses while allowing easy cleaning.

HORSE VENTILATION SYSTEM

- Front and rear of horse windows
- Roof ventilation hatches with fans
- Insulated composite wall panels
- LED stall lighting

The ventilation system ensures fresh airflow to reduce stress and heat buildup.

TACK & EQUIPMENT STORAGE

- External saddle lockers
- Bridle storage
- Full-length of horse box rug rack
- Equipment storage compartments

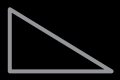

All lockers are sealed composite aluminium compartments designed to protect equipment.

STALL DIVIDERS

The Stryde stall divider system is designed to allow flexibility for different horse sizes. Features include:

- Adjustable stainless steel stall dividers
- Padding on divider surfaces
- Quick-release divider system with infinite bay width combinations
- Divider padding protects horses from injury while travelling.

REAR LOADING RAMP

The Stryde Estate 4 uses a **hydraulic rear loading ramp system.**

- Full-width hydraulic tailgate ramp
- Heavy-duty steel ramp frame
- Non-slip rubber ramp surface
- Hydraulic ramp control system
- Internal safety gates

Rear loading configuration only.

HORSE MONITORING SYSTEM (STANDARD)

The Stryde Estate includes an **integrated horse monitoring camera system.**

- Live video monitoring of horse area
- Display visible from driver cabin
- Allows driver to monitor horses while travelling

STRYDE

LIVING AREA

LUXURY TOURING ACCOMMODATION

The living area provides comfortable accommodation for riders and crew during travel and events.

SLIDE-OUT LIVING ROOM

Driver-side slide-out expanding the **dinette and couch seating area.**

This significantly increases interior space when parked.

LEGAL PASSENGER SEATING

The vehicle provides seating for **six passengers with legal seatbelts.**

- 2 seats in truck cabin
- 4 seats in dinette seating area

This allows riders, grooms or family members to travel safely.

EXTERIOR FEATURES

- Exterior LED lighting
- External shower
- Storage lockers
- Reverse camera system
- 20ft Electric Awning

KITCHEN

- Thetford Hob Topline Hybrid Stove
- Convection microwave
- Thetford T2208C compressor fridge
- Rangehood
- Premium kitchen sink and tapware
- Pull-out pantry storage

BATHROOM

- Full Wet Room type bathroom
- Ceramic macerating toilet
- Vanity basin
- Storage cabinetry
- FOGATTI Instashower instantaneous hot water system

BEDDING

- Queen size bed above truck cabin
- Modified queen size bed above bathroom
- Double bunk beds
- Convertible dining table to single bed

ELECTRICAL SYSTEM

- 800ah Lithium battery system
- Projecta PM400-BT Battery management system
- 240V shore power connection
- Generator Ready (please see recommended Optional extra Honda eu70is Generator)
- 3000W Inverter
- Touch screen switching
- LED lighting throughout

WATER SYSTEM

- X2 95L Fresh water tanks
- X2 100L Grey water tank
- Waste holding tank for toilet
- 12V water pump
- External shower
- Wash down hose in horse area

ENTERTAINMENT

- Smart television
- Audio system
- Interior speakers
- Exterior speakers
- Reverse camera system
- Horse Box monitoring camera system

CLIMATE CONTROL

- 2 × Dometic Freshjet 7 Plus roof mounted air conditioners
- AIRTRONIC Diesel heater system

STRUCTURE

The Stryde body uses modern composite construction for durability and insulation.

- Aluminium structural frame
- Composite insulated wall panels
- Fibreglass exterior panels
- Steel structural floor subframe and uprights
- Waterproof external storage lockers

OPTIONAL EXTRAS

GENERATOR

Honda EU70is Generator (Optional Upgrade)

Premium Honda EU70is 7kVA inverter generator providing reliable and ultra-quiet power for off-grid operation.

Capable of running air conditioning, appliances, battery charging and onboard systems when mains power is unavailable.

Honda generators are renowned for their durability, fuel efficiency and quiet performance, making them the premium choice for luxury motorhomes and horse trucks. $8,990+gst fitted

STARLINK

Starlink Mobile Satellite Internet (Optional Upgrade)

Stay connected wherever the road takes you with **Starlink Mobile satellite internet.** Using a network of low-Earth-orbit satellites, Starlink delivers fast and reliable internet even in remote areas where traditional mobile coverage is unavailable. Perfect for working remotely, streaming, navigation, and staying connected while travelling to events or competitions.

Starlink Mobile Internet System – $2,450 + GST

Includes:

- Starlink Mobile satellite system
- Roof mount installation
- Integrated power connection
- Internal Wi-Fi router setup

Customer then pays the **Starlink subscription directly (~$80–$195/month depending on plan).**
