JOST king pin

LANDING LEGS
JOST landing legs

SUSPENSION
Air suspension

WHEELS & TYRES
Aluminium wheels, 265/70R19.5 tyres

BRAKING SYSTEM
Australian Braking Corporation (ABC)
EBS electronic braking system

Images shown are artist's impressions for illustration purposes only. Specifications, layouts, features, finishes and colours are subject to change without notice. Prime mover not included unless purchased as a turn-key package.

DESIGNED BY EQUESTRIANS

Every Stryde is designed with real equestrian experience in mind — prioritising horse safety, airflow, and stress-free travel for both horse and rider.

PREMIUM LIVING QUARTERS

Thoughtfully designed living spaces combine modern finishes with practical layouts, giving riders a comfortable place to relax, prepare, and recharge during events and long journeys.

COMPLETE TURN-KEY PACKAGE

Choose a complete turn-key package with your choice of prime mover — supplied, built, compliant, registered and ready to tow. Already have a prime mover? We can supply the Titan trailer on its own.

BUILT FOR AUSTRALIA & NEW ZEALAND ROADS

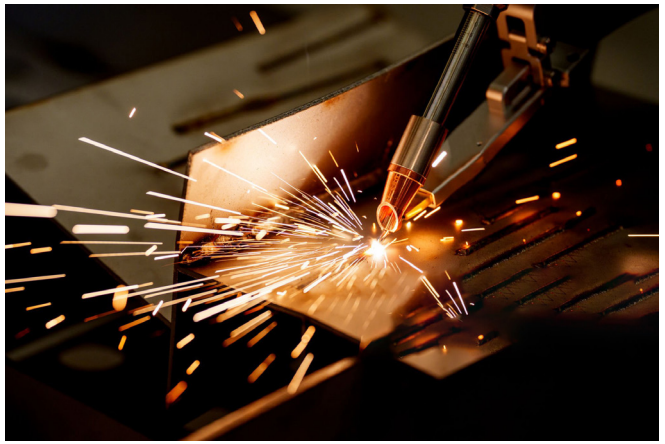

Stryde trucks are engineered to handle the long distances and demanding road conditions of Australia and New Zealand.

CURATED INTERIOR THEMES

Choose from a range of professionally designed interior and exterior colour themes to suit your style.

HORSE SAFETY & COMFORT FIRST

From strong partitions and ventilation to advanced horse monitoring systems, every detail is designed to ensure horses travel safely and comfortably.

AUSTRALIA & NEW ZEALAND SERVICE SUPPORT

Stryde trailers are backed by service and parts support across Australia and New Zealand, and the running gear is proven and widely serviced, to keep you moving with confidence.

STRYDE

STRYDE TITAN HORSE SEMI TRAILER

The Stryde Titan is a luxury horse semi trailer combining professional horse transport with premium touring accommodation — available in four layouts to suit your team.

Horse Capacity:
7, 9 or 10 Horses

Bedding:
Queen bed at the front, plus triple bunks or a second overhead queen.

The lounge couch converts to extra bedding.

Layouts:
Four layouts to choose from

THE STRYDE TITAN RANGE

LUXURY HORSE SEMI TRAILERS

Four layouts, one uncompromising platform. Every Titan is built on the same 14.3 m chassis with the same horse area, construction and finish — choose the layout that suits your horses and your team.

TITAN 7 TWIN QUEEN

- 7 horses
- Queen bed + overhead queen bed
- Lounge converts to extra bedding
- 3 slide-outs: bedroom, kitchen, lounge
- Internal + underfloor laundry

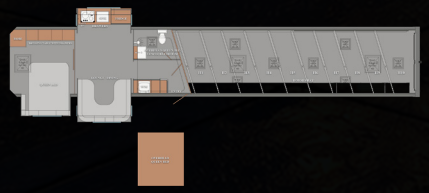

TITAN 9

- 9 horses
- Queen bed + overhead queen bed
- Lounge converts to extra bedding
- 3 slide-outs: bedroom, kitchen, lounge
- Internal + underfloor laundry

TITAN 7 BUNK

- 7 horses
- Queen bed + 3 bunk beds
- Lounge converts to extra bedding
- 4 slide-outs: bedroom, kitchen, bunks, lounge
- Full bathroom with shower
- Underfloor laundry

TITAN 10

- 10 horses
- Queen bed + overhead queen bed
- Lounge converts to extra bedding
- 3 slide-outs: bedroom, kitchen, lounge
- Internal + underfloor laundry

All models: 14.3 m chassis · hydraulic rear ramp · stainless steel full head dividers · 3 electric awnings · supplied turn-key or trailer only

YOUR PRIME MOVER, YOUR CHOICE.

THE TITAN PAIRS WITH AUSTRALIA'S LEADING PRIME MOVERS

Already own a prime mover? We'll supply the Titan trailer on its own. Need a complete package? We'll source the prime mover of your choice, then fit, comply and register the full combination so it's ready to tow from day one.

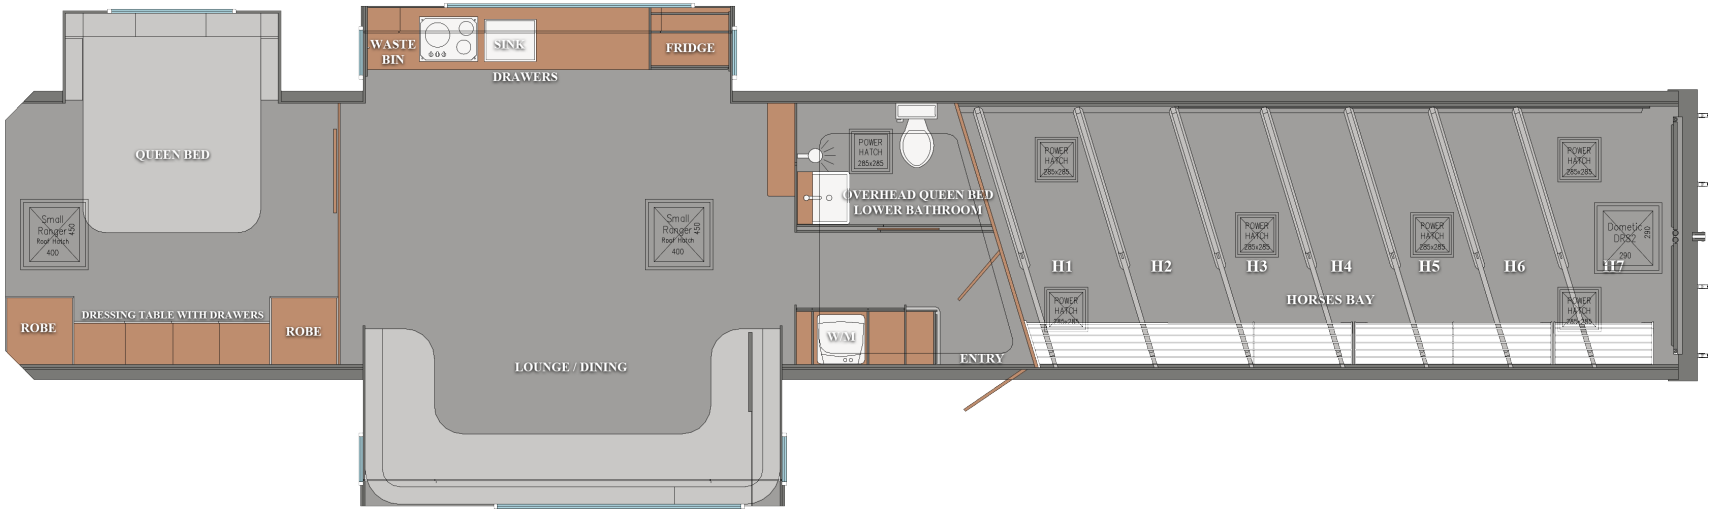

TRAILER ONLY

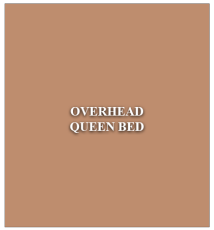

Hitches to your existing prime mover via the JOST king pin.

TURN-KEY PACKAGE

Prime mover sourced, fitted, compliant and registered, ready to drive away.

Prime mover must be rated for the Titan's gross combination mass. Our team will confirm suitability for your truck.

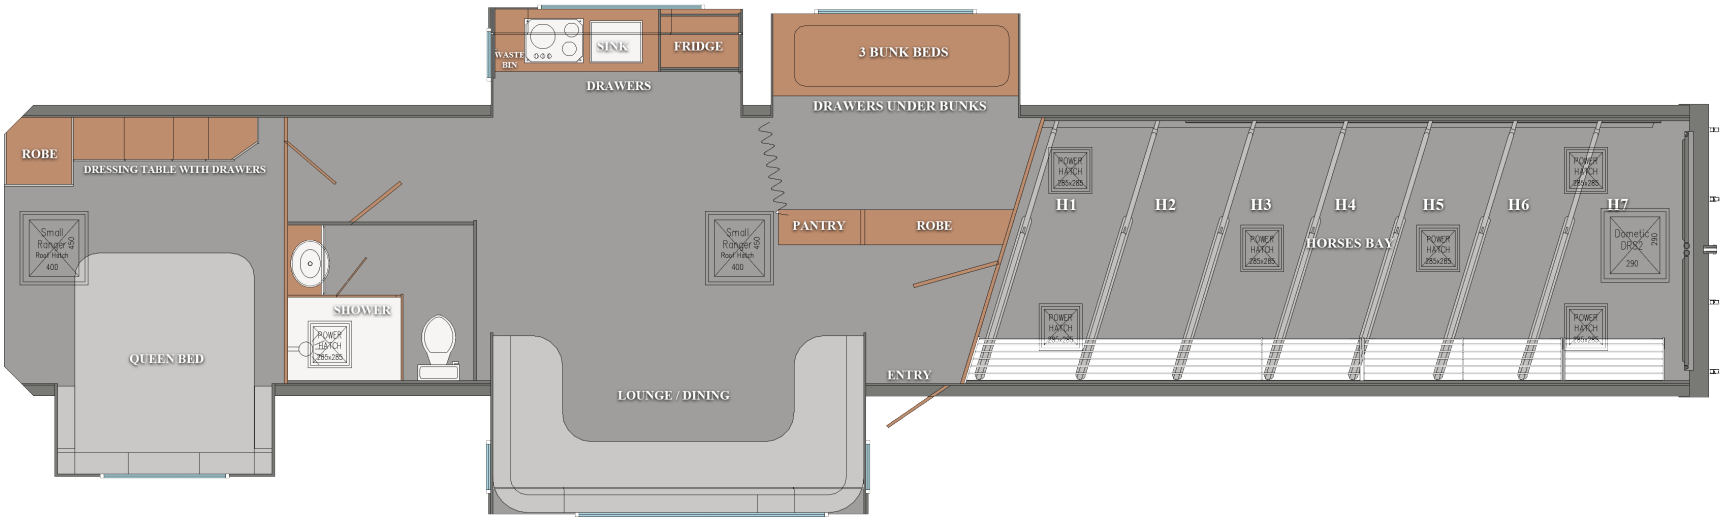

STRYDE TITAN 7 TWIN QUEEN

Proper beds for everyone. A queen bedroom up front, a second overhead queen above the bathroom and a lounge that converts to extra bedding — ideal for couples, families and teams on the road for multi-day events.

- 7 horse bays
- Queen bed in bedroom slide-out with twin robes and dressing table
- Overhead queen bed above the bathroom
- Slide-out kitchen with cooktop, sink and fridge
- Slide-out U-shaped lounge / dining, converts to extra bedding
- Bathroom with shower, toilet and vanity
- Internal + underfloor laundry

LENGTH	WIDTH	HEIGHT
14.3M	2.5M	TBC

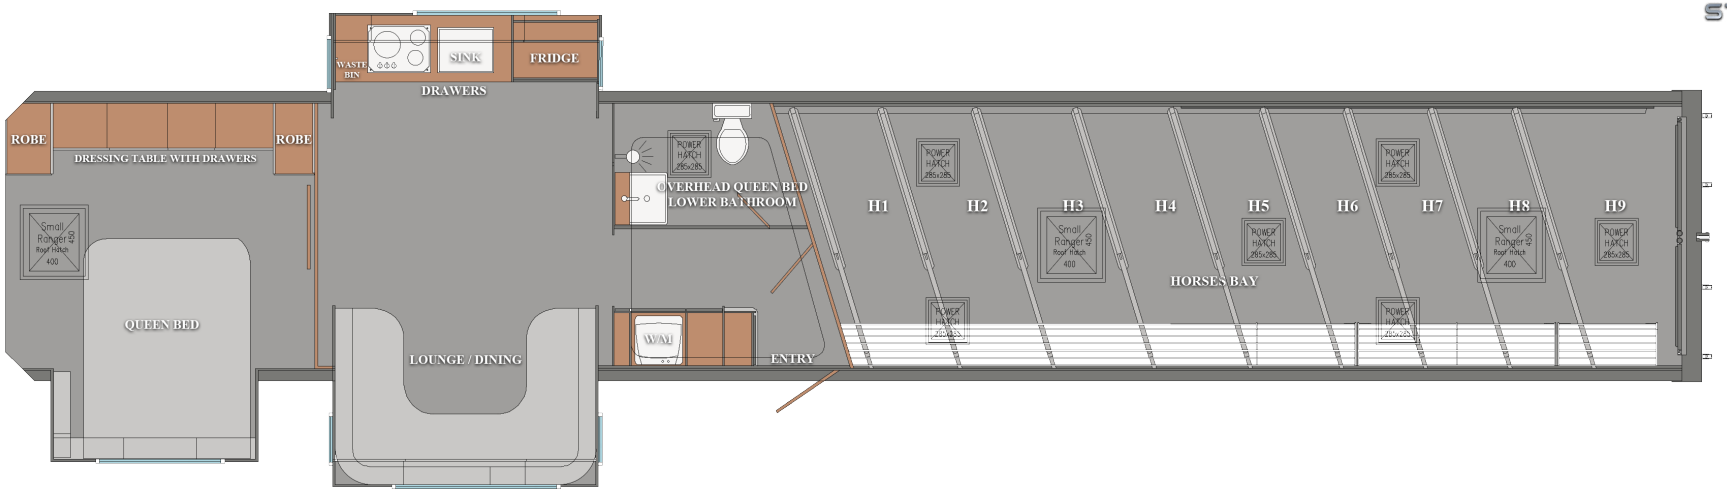

STRYDE TITAN 7 BUNK

Built for families and teams with kids or grooms on board. A private queen bedroom, its own full bathroom, a dedicated triple bunk room and a convertible lounge sleep the whole crew.

- 7 horse bays
- Queen bed in bedroom slide-out with robe and dressing table
- Full bathroom between bedroom and living, with shower, toilet and vanity
- 3 bunk beds in their own slide-out, with drawers under
- Slide-out kitchen with cooktop, sink and fridge
- Pantry and full-height robe
- Slide-out U-shaped lounge / dining, converts to extra bedding
- Underfloor laundry

LENGTH	WIDTH	HEIGHT
14.3M	2.5M	TBC

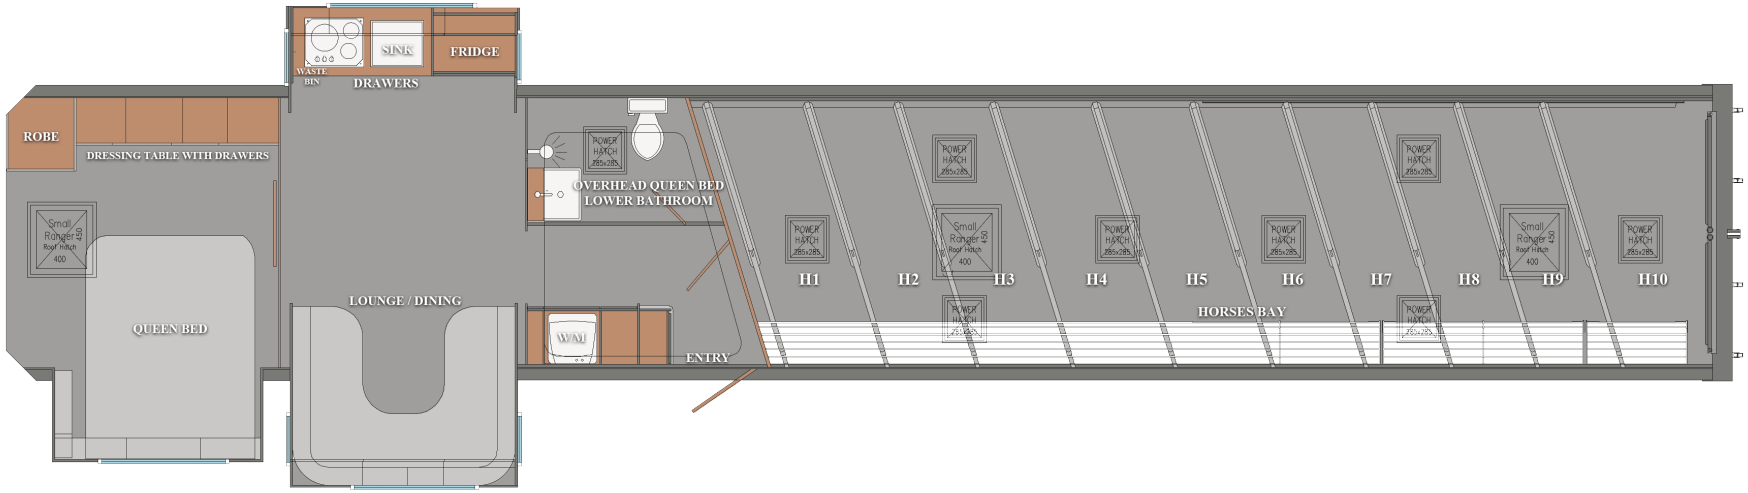

STRYDE TITAN 9
9 HORSE

More horses, no compromise on comfort. Nine bays sit alongside a queen bedroom, an overhead queen above the bathroom and a convertible lounge — built for professional and multi-horse operations.

- 9 horse bays
- Queen bed in bedroom slide-out with twin robes and dressing table
- Overhead queen bed above the bathroom
- Slide-out kitchen with cooktop, sink and fridge
- Slide-out U-shaped lounge / dining, converts to extra bedding
- Bathroom with shower, toilet and vanity
- Internal + underfloor laundry

LENGTH	WIDTH	HEIGHT
14.3M	2.5M	TBC

STRYDE TITAN 10
10 HORSE

Our maximum-capacity semi trailer. Ten bays for stables, breeders and teams moving serious numbers of horses, with a compact, fully equipped living area including a queen bedroom and an overhead queen.

- 10 horse bays
- Queen bed in bedroom slide-out with robe and dressing table
- Overhead queen bed above the bathroom
- Slide-out kitchen with cooktop, sink and fridge
- Slide-out U-shaped lounge / dining, converts to extra bedding
- Bathroom with shower, toilet and vanity
- Internal + underfloor laundry

LENGTH	WIDTH	HEIGHT
14.3M	2.5M	TBC

HORSE AREA

PROFESSIONAL HORSE TRANSPORT SYSTEM

The Titan horse area is built to stainless steel and rubber throughout, designed for maximum safety, airflow and comfort on long-distance travel.

Angled herringbone bays with stainless steel full head dividers give every horse its own protected space, with powered roof ventilation, a window to every bay and live camera monitoring from the cab.

HORSE STALL CONFIGURATION

- 7, 9 or 10 angled herringbone bays (by model)
- Individual stall bays
- Tie rings at every bay
- Insulated composite walls and roof

FLOORING SYSTEM

- Thermolite composite floor
- HD PE underlay with heavy-duty rubber floor over
- Non-slip surface
- Wash-down hose point

Grip and comfort for horses, with easy cleaning.

TACK & EQUIPMENT STORAGE

- External tack cupboard with saddle racks
- Chest bins for feed and gear
- Hinge-down rug racks over the horses
- Large underfloor storage compartments

HORSE VENTILATION SYSTEM

- Powered roof ventilation hatches with electric fans
- Additional roof vents along the horse area
- Sliding glass window to every bay, with window bars
- High-level windows on the opposite side
- Blue LED lighting throughout and over the tailgate

Fresh airflow and natural light for every horse.

STALL DIVIDERS

- Stainless steel full head dividers
- Partition padding to all dividers
- Rubber hanging on dividers
- Quick-release dividers for easy loading and unloading
- Stainless steel linings to the top half of walls at head height
- Rubber-lined steel kick panels to the lower walls

REAR LOADING RAMP

- Full-width hydraulic rear loading ramp
- Non-slip rubber ramp surface
- Internal safety gates
- Rear canvas curtain to tailgate

Rear loading configuration

HORSE MONITORING SYSTEM (STANDARD)

- Integrated horse monitoring camera system
- Live display in the prime mover cab
- Reversing camera

LIVING AREA

LUXURY TOURING ACCOMMODATION

Every Titan has a queen bedroom, a slide-out kitchen and a slide-out lounge, with bathroom, laundry and extra sleeping arranged to suit each layout. Comfortable accommodation for riders, grooms and family at every event.

STRYDE

SLIDE-OUTS

- 3 slide-outs: bedroom, kitchen, lounge (Titan 7 Twin Queen, 9 and 10)
- 4 slide-outs, adding a bunk room (Titan 7 Bunk)

Significantly increases living space when parked.

BEDROOM

- Queen bed in bedroom slide-out
- Robes and overhead cupboards
- Dressing table with drawers
- Reading lights and USB charging either side of the bed

BEDDING

- Queen bed in the front bedroom (all models)
- Overhead queen above the bathroom (Twin Queen, 9 and 10)
- 3 bunk beds with drawers under (Bunk)
- U-shaped lounge converts to extra bedding (all models)

KITCHEN

- Thetford Topline cooktop
- Premium sink and tapware
- Thetford T2208 224L compressor fridge/freezer
- Microwave and rangehood
- Drawers and pantry storage

LOUNGE / DINING

- Large U-shaped lounge in theme leather or fabric
- Dining table
- Smart TV
- Audio system with interior speakers

BATHROOM & LAUNDRY

- Shower, ceramic toilet and vanity
- Tiled floor to roof
- Roof hatch with fan
- Internal washing machine (Twin Queen, 9 and 10)
- Underfloor laundry (all models)

CLIMATE CONTROL

- 2–3 roof-mounted reverse-cycle air conditioners
- Diesel heater
- Roof hatches for natural light and airflow

WATER SYSTEM

- Fresh and grey water tanks
- Waste holding tank for toilet
- 12V water pump and filter
- Hot water system
- Mains pressure inlet
- External hot and cold hose
- Wash-down hose in horse area

EXTERIOR FEATURES

- 3 x Dometic electric awnings with LED lights
- External entry door with steps
- External tack cupboard
- Underfloor storage compartments along both sides
- External TV box and picnic table (Titan 9 and 10)

ELECTRICAL SYSTEM

- Lithium battery system with battery management
- DC-DC charging from the prime mover
- Solar charging system
- Inverter / charger
- 240V shore power with RCD protection
- Touch-screen switching
- Generator bay with diesel fuel tank provision
- LED lighting throughout

STRUCTURE

- Aluminium frame (living area), steel frame (horse area)
- Insulated composite wall and roof panels
- Colour moulded into the composite, no paint to chip or fade
- Thermolite composite flooring
- Raised living floor with storage underneath
- Curved front and rear corners

OPTIONAL EXTRAS

GENERATOR

Honda EU70is Generator (Optional Upgrade)

Premium Honda EU70is 7kVA inverter generator providing reliable and ultra-quiet power for off-grid operation.

Capable of running air conditioning, appliances, battery charging and onboard systems when mains power is unavailable.

Honda generators are renowned for their durability, fuel efficiency and quiet performance, making them the premium choice for luxury horse trucks and semi-trailers. $8,990 + GST fitted

STARLINK

Starlink Mobile Satellite Internet (Optional Upgrade)

Stay connected wherever the road takes you with **Starlink Mobile satellite internet.** Using a network of low-Earth-orbit satellites, Starlink delivers fast and reliable internet even in remote areas where traditional mobile coverage is unavailable. Perfect for working remotely, streaming, navigation, and staying connected while travelling to events or competitions.

Starlink Mobile Internet System – $2,450 + GST

Includes:

- Starlink Mobile satellite system
- Roof mount installation
- Integrated power connection
- Internal Wi-Fi router setup

Customer then pays the **Starlink subscription directly (Starlink subscription paid directly by the customer.).**
